Outreach Project: Fall 2006

Jake Davis; Assistant Campus Pastor

Hello all Gap Alumni!

I hope that this newsletter finds you all well. I wish to share with you briefly about the Outreach Project that Standing in the Gap is working on for the upcoming school year.

Standing in the Gap is, with the help of the recently established Outreach Project committee, putting together a list of resources to be purchased in the near future to help the outreach efforts of the ministry. Some of these items include: tracts, roadside advertising sign, event display, seeker materials.

These items that will be purchased by Standing in the Gap will help the ministry to reach out to students who don't know Jesus as their Lord. Gap is on campus to reach students and intercede

for them before the Lord. The items that will be purchased will be used for event promotion, spreading the Gospel, and representing what Standing in the Gap is to students who are at MAINStage, the RSO Fair, and any other event where Gap can be visible with the display.

Find out more...

Standing in the Gap will be creating a website specifically designed to present the materials and other items/services that will be purchased for the outreach project. This website will be accessible from the official Standing in the Gap website and also from the Alumni Association website. If you would like to find out specifically what the Outreach Project committee is looking to purchase, from what company, for what price, and for

what purpose, please visit the upcoming Outreach project website.

We need help...

With these investments coming up soon, Standing in the Gap needs financial support to help make these purchases a reality. We are giving our alumni the opportunity to help us in these endeavors of outreach to the campus of CMU. We are looking for sponsors for all of our investments: partial sponsors, monthly sponsors, or full sponsors. Any gift of any amount is VERY welcome and needed. Please contact the Standing in the Gap office for more information or visit the Finance website

(www.standinginthegap.us/finance) to find out how to give to Gap.

Thank you so much for your support of the ministry of Standing in the Gap, alumni!

The Assistant's Spot: (by Jake Davis)

I have truly been blessed in the position that God has placed me in at Standing in the Gap. Through the music ministry of "Still Here" (new name of the P&W band), the outreach project committee, alumni association, financial department, and housing (along with everything else) – I have had some very great experiences. Working at Standing in the Gap can be hard sometimes just because of the transition that we are in from having Brian Mackie come on as the new Campus Pastor and then moving in to the 2nd year that Brian is leading the group. I have seen a lot of changes in Standing in the Gap since I've been involved and I am very encouraged by the direction that God has us going in.

We have new leaders starting this upcoming year and all of leadership is meeting throughout the summer so that we will have a jump start on the work we need to do. The music ministry is practicing throughout the summer and also playing at the summer gap meetings as well. The outreach project is just getting started (read pg. 1) but I believe it is a large step in the right direction in getting Standing in the Gap to the place it should be for now and for the future.

I am blessed by this ministry and I hope you are as well!

God Bless,
Jake Davis—Assistant Campus Pastor, SITG

Summer Gap

Summer Gap 2006 has been a great time thus far. Brian has been speaking on the Fear of the Lord and also Worship (from the 'Celebration of Disciplines' by Robert Foster). We have seen a good sized crowd for a summer group, averaging about 15 people per week. We are hoping to see a growth over the summer months to springboard us into the fall semester.

There will be other speakers over the summer including Patric Spence, Chris Hardenburg, and Jake Davis.

Summer Gap is held at the current Gap Men's House in the living room. We meet together, have praise and worship music to start the night, pray, learn from the Word of God, and just hang

out. Summer Gap has a laid back atmosphere which makes it a great place to be to learn, talk, and grow together as a group.

After the Summer Gap meeting is over, most people head out for some food at a local restaurant (La's, Arby's, etc.).

If you would like to, as an alumni, come visit a Summer Gap, they are held every Wednesday night @ 7:30pm!

Miscellaneous Messages

Harvest Fest 2006

Standing in the Gap is putting together an outreach concert for Friday, August 25th. This concert is meant to be a way for students to hear a Christian message through great Christian music and also meet Christian students and leaders on campus. Rock on!

Be Encouraged!

"Blessed be the God and Father of our Lord Jesus Christ, who according to His abundant mercy has begotten us again to a living hope through the resurrection of Jesus Christ from the dead" (1 Peter 1:3)

Never forget, when you get up everyday, that we have a great hope in our God. He has already paid a price and given us the gift of salvation—you can see it when He resurrected His Son. Don't wake up and feel like you are left alone and unwanted but, rather, look to God and see that He wants you and is working in You everyday!
